The *Journal of Psychiatry & Neuroscience* publishes original research articles and review papers in psychiatry and in neuroscience that advance our understanding of the mechanisms involved in the etiology and treatment of psychiatric disorders. This includes studies on patients with psychiatric disorders, healthy humans and experimental animals, as well as studies in vitro.

La *Revue de psychiatrie et de neuroscience* publie des articles de recherches originales et des examens critiques en psychiatrie et en neuroscience qui éclairent notre compréhension des mécanismes participant à l'étiologie et au traitement des troubles psychiatriques. Dans cette perspective, la revue présente des études sur des patients atteints de troubles psychiatriques, sur des humains en santé et sur des animaux de laboratoire, ainsi que des études in vitro.

All editorial matter in the *Journal of Psychiatry & Neuroscience* represents the opinions of the authors and not necessarily those of CMA. CMA assumes no responsibility or liability for damages arising from any error or omission, or from use of any information or advice contained in the *Journal of Psychiatry & Neuroscience*, including articles, editorials, reviews, abstracts, letters and advertisements.

Tous les articles à caractère éditorial dans la *Revue de psychiatrie et de neuroscience* représentent les opinions de leurs auteurs et n'engagent pas l'AMC. L'AMC décline toute responsabilité civile ou autre quant à toute erreur ou omission ou à l'usage de tout conseil ou information figurant dans la *Revue de psychiatrie et de neuroscience* et les articles, éditoriaux, critiques, résumés, lettres et publicités y paraissant.
