

## Reviewers Examineurs

A high-quality scientific journal could not be produced without the anonymous, unpaid and often inadequately appreciated work of its reviewers. The editors of the *Journal of Psychiatry & Neuroscience* thank the following people who reviewed submissions to the journal in 2008.

Il serait impossible de produire une revue scientifique sans la contribution anonyme et souvent mal reconnue des examinateurs bénévoles. La rédaction de la *Revue de psychiatrie & de neuroscience* tient à remercier les personnes suivantes qui ont examiné les articles proposés à la revue en 2008.
